## Section 1: Product and Company Identification

### Airocean Gases

4647 Saucon Creek Road, Suite 201, Center Valley, PA, 18034

Emergency Phone : 302-561-2790

www.airoceangases.com

Product Code: **Xenon, Compressed**

Part Number: Xenon, compressed

**Synonyms:**

**Recommended Use:**

**Usage Restrictions:**

## Section 2: Hazards Identification

Hazard Classification:

Gases Under Pressure, H280  
Simple Asphyxiant, OSHA-H01

Hazard Statements:

H280: CONTAINS GAS UNDER PRESSURE; MAY EXPLODE WHEN HEATED.  
CGA-HG01: MAY CAUSE FROSTBITE.  
OSHA-H01: MAY DISPLACE OXYGEN AND CAUSE RAPID SUFFOCATION.

Precautionary Statements

P203: Obtain, read and follow all safety instructions before use.  
P262: Do not get in eyes, on skin, or on clothing.  
P271+P403: Use and store only outdoors or with adequate ventilation.  
P280: Wear protective gloves, protective clothing, eye protection, and/or face protection.  
CGA-PG02: Protect from sunlight when ambient temperature exceeds 52C (125F).  
CGA-PG05: Use a back flow preventive device in the piping.  
CGA-PG06: Close valve after each use and when empty.

CGA-PG10: Use only with equipment rated for cylinder pressure.  
CGA-PG12: Do not open valve until connected to equipment prepared for use.  
CGA-PG27: Read and follow the Safety Data Sheet (SDS) before use.

### Section 3: Composition/Information on Ingredients

|       | CAS #     | Concentration |
|-------|-----------|---------------|
| Xenon | 7440-63-3 | 100%          |

|       | Trade Names                                                           |
|-------|-----------------------------------------------------------------------|
| Xenon | Xe<br>Xenon<br>xenon atom<br>CHEBI:49957<br>Xenon (JAN)<br>3H3U766W84 |

### Section 4: First Aid Measures

IF ON SKIN (or hair): Take off Immediately all contaminated clothing. Rinse SKIN with water [or shower].

IF INHALED: Remove person to fresh air and keep comfortable for breathing.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do - continue rinsing.

### Section 5: Fire Fighting Measures

#### Suitable Extinguishing Media:

Use suitable extinguishing material for surrounding fire.

#### Protection of Firefighters:

Fire-fighters should wear appropriate protective equipment and self-contained breathing apparatus (SCBA) with a full face-piece operated in positive pressure mode.

#### Products of Combustion

Nonflammable

### Section 6: Accidental Release Measures

#### Personal Precautions:

Keep unnecessary people away, isolate hazard area and deny entry. Ventilate closed spaces before entering.

#### Environmental Precautions:

Keep away from drains, surface and ground water. Avoid heat, flames, sparks and other sources of ignition.

#### Methods for Containment and Cleanup:

Stop leak if possible without personal risk. Reduce vapors with water spray. Remove sources of ignition. If necessary, cover drains. Absorb large spills, dispose in appropriate containers.

## Section 7: Handling and Storage

### Handling:

See precautions in Section 2. Only trained personnel should handle this product. Always use approved personal protective equipment.

### Storage:

Keep container tightly closed in a dry and well-ventilated place. Containers which are opened must be carefully resealed and kept upright to prevent leakage.

Store and handle in accordance with all current regulations and standards. Store in a well-ventilated area. Keep separated from incompatible substances.

### Incompatible Materials

Halogens

### Conditions to avoid

Avoid heat, flames, sparks and other sources of ignition.

## Section 8: Exposure Controls/Personal Protection

| Exposure Guidelines | Threshold Limit Value - TLV (ppm) |
|---------------------|-----------------------------------|
| Xenon               | Not available                     |

### Engineering Controls

No specific controls are needed.

### Eye Protection

Wear splash resistant safety goggles.

### Skin Protection

Wear chemical protective clothing, including gloves.

### Respiratory Protection

Use self-contained breathing apparatus.

### General Hygiene considerations

- Avoid breathing vapor or mist
- Avoid contact with eyes and skin
- Wash thoroughly after handling and before eating or drinking

## Section 9: Physical and Chemical Properties

|       | Physical State / Physical Form | Appearance / Color | Odor     | Flash Point   | Flammability  | Partition Coefficient |
|-------|--------------------------------|--------------------|----------|---------------|---------------|-----------------------|
| Xenon | Gas                            | Colorless          | Odorless | Nonflammable. | Nonflammable. | 0                     |

|       | Autoignition Temperature | Upper Explosive Limits | Lower Explosive Limits | Boiling Point   | Freezing Point  | Vapor Pressure |
|-------|--------------------------|------------------------|------------------------|-----------------|-----------------|----------------|
| Xenon | Nonflammable.            | Not available          | Not available          | -162 F (-108 C) | -170 F (-112 C) | Not available  |

|       | Vapor Density | Specific Gravity | Water Solubility | pH | Evaporation Rate | Viscosity       |
|-------|---------------|------------------|------------------|----|------------------|-----------------|
| Xenon | 4.561         | Not applicable   | 0.00108          | 0  | Not applicable   | 0.528 cP @ 17 C |

|       | Molecular Weight | Molecular Formula | Density       | Volatility     | Solvent Solubility |
|-------|------------------|-------------------|---------------|----------------|--------------------|
| Xenon | 131.293          | Xe                | Not available | Not applicable | : Not Available.   |

## Section 10: Stability and Reactivity

|       | Stability                                 | Possibility of Hazardous Reactions |
|-------|-------------------------------------------|------------------------------------|
| Xenon | Stable at normal temperature and pressure | Will not polymerize.               |

### Conditions to avoid

Avoid heat, flames, sparks and other sources of ignition.

### Incompatible Materials

Halogens

### Hazardous Decomposition Products

None

## Section 11: Toxicology Information

The toxicology information is calculated for the mixture.

### Acute Toxicity Estimates (ATE) of the mixture.

|                      |               |
|----------------------|---------------|
| Oral ATE (mg/kg)     | Not available |
| Inhalation ATE (ppm) | Not available |
| Dermal ATE (mg/kg)   | Not available |

### Additional health hazards:

OSHA-H01: MAY DISPLACE OXYGEN AND CAUSE RAPID SUFFOCATION.

|                                   |               |
|-----------------------------------|---------------|
| Skin Corrosion/Irritation         | Not available |
| Eye Damage/Irritation             | Not available |
| Respiratory or Skin Sensitization | Not available |
| Germ Cell Mutagenicity            | Not available |
| Carcinogenicity                   | Not available |
| Reproductive Toxicity             | Not available |
| STOT – single exposure            | Not available |
| STOT – repeated exposure          | Not available |
| Aspiration Hazard                 | Not available |

## Section 12: Ecological Information

### Fate and Transport

|       | Eco toxicity     | Persistence / Degradability | Bioaccumulation / Accumulation | Mobility in Environment |
|-------|------------------|-----------------------------|--------------------------------|-------------------------|
| Xenon | Fish toxicity: 0 | Not Available.              | Not Available.                 | Not Available.          |

## Section 13: Disposal Considerations

Dispose in accordance with all applicable regulations. Do not dispose in sewers or waterways. Recycle if possible to do so. Return to manufacturer for disposal if needed.

## Section 14: Transportation Information

|  |  |  |  |  |
|--|--|--|--|--|
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |
|  |  |  |  |  |

### Individual Component Information

|       | Proper Shipping Name | ID Number | Hazard Class or Division                                                                 | Packing Group | Passenger Aircraft or Railcar Quantity Limitations |           | Cargo Aircraft Only Quantity Limitations |       | IMDG EmS |
|-------|----------------------|-----------|------------------------------------------------------------------------------------------|---------------|----------------------------------------------------|-----------|------------------------------------------|-------|----------|
|       |                      |           |                                                                                          |               | DOT                                                | IATA      | DOT                                      | IATA  |          |
| Xenon | Xenon, compressed    | UN2036    | 2.2<br> | Not available | 50 kg                                              | Forbidden | 500 kg                                   | 30 kg | F-C, S-V |

## Section 15: Regulatory Information

### U.S. Regulations

|       | CERCLA Sections | RQ            | TPQ           |
|-------|-----------------|---------------|---------------|
| Xenon | Not regulated   | Not regulated | Not regulated |

### SARA 370.21

|       | Acute | Chronic | Fire | Reactive | Sudden Release |
|-------|-------|---------|------|----------|----------------|
| Xenon | Yes   | No      | No   | No       | Yes            |

### SARA 372.65

|       |               |
|-------|---------------|
| Xenon | Not regulated |
|-------|---------------|

### OSHA Process Safety

|       |               |
|-------|---------------|
| Xenon | Not regulated |
|-------|---------------|

### State Regulations

|       | CA Proposition 65 |
|-------|-------------------|
| Xenon | Not listed        |

### Canadian Regulations

|       | WHMIS Classification |
|-------|----------------------|
| Xenon | A                    |

### National Inventory Status

|       | US Inventory (TSCA) | TSCA 12b Export Notification | Canada Inventory (DSL/NDL) |
|-------|---------------------|------------------------------|----------------------------|
| Xenon | Xenon, compressed   | Not listed                   | Listed on DSL              |

## Section 16: Other Information

|       | NFPA Rating (Health, Fire, and Reactivity) |
|-------|--------------------------------------------|
| Xenon | 0 , 0 , 0                                  |

0 = minimal hazard, 1 = slight hazard, 2 = moderate hazard, 3 = severe hazard, 4 = extreme hazard
